Hi Sherry,

I haven't set up a Doodle before, but I can figure it out. Sent me the names and email addresses. Thank you.

Jessie,

I talked with Margaret today about having you send a Doodle poll to set up a meeting with folks involved in the Tower Standard site.

I want to start with dates that work for Margaret and then develop a series of dates that we then offer to a group of people (I will send to you their names and email addresses).

Have you done a Doodle before?

Sure, it's YMCA Camp Nawakwa. I can't guarantee availability for the building, but it's likely to be available, and I can check if we get a potential date.

It's about 20 minutes from the site, northeast of the town of LDF out in the forest (northwest of Minocqua near HWY 47 about 25 minutes). If you want to see it on google, it's 13400 Camp Nawakwa Lane, LDF.

It should be acceptable to all as a location. If there is any downside it's that there is no internet connection at the building we would use, but there is Wi-Fi at the Welcome Center building. Maybe that's a good thing.

Bob,

I think we might have to look for days April 15<sup>th</sup> and beyond. Margaret suggested that I have Jessie do the Doodle poll.

Before I give everyone's email to Jessie, I think it might be important to nail down a potential location.

John said that the Kozaks don't want to meet at the tribe's locations. John mentioned some locations in Minocqua which were state offices but not WDNR. Can you give me the specifics of the place that you thought might be suitable for a meeting?

Here's my availability so far:

March 28- I could attend a meeting. I will be traveling to LDF for the start of field work on the 29<sup>th</sup>. But LDF folks are not available that day- that is a holiday for them.

April 1- I may be able to but will still be at LDF for field work and plan to travel home that day (Friday). Kristen would also be attending the field work.

April 7 – No- I need to take that day off. I have personal travel out of town.

April 15- OK

April 21- OK

Are any of the dates John offer good for you? I still need to set up a Doodle poll but wanted to work with a manageable subset of dates.
